

CABINET MAKEOVER~A SMARTER CHOICE FOR HOMEOWNERS

The Cabinet Makeover is a NON INVASIVE kitchen remodel that utilizes your existing cabinet boxes and replaces all of your doors, drawers, drawer boxes and ALL accessories in a fraction of the time & cost of a traditional remodel!!!

STEP 1 REMOVAL

**The following items are removed
&
THROWN AWAY!!**

- Old drawer fronts & drawer boxes
- Old doors
- ALL hardware; including hinges, glides, pulls & handles
- Old toe kicks
- Old crown molding

STEP 2 REPAIR & VENEER BOXES

- Cabinet boxes are cleaned
- Cabinet boxes are repaired to ensure they are strong enough to support your new doors & drawers
- Flush out panels are installed under the wall cabinets (creates a custom look)
- Cabinet boxes are sanded by hand to a rough finish to prep them for the veneer
- Color matching veneer applied to all face frames & end panels

STEP 3 INSTALL DRAWERS & GLIDES

- New glides & tracks installed
- Premium drawer boxes installed
- Custom drawer fronts & hardware installed

STEP 4 INSTALL DOORS & TRIM

- Doors are hung with premium hinges
- All new hardware is installed on each door
- Matching trim pieces installed
- New toe kicks installed
